Services À la Carte

- Monthly Career Consultation – \$50.00
Meet with your Studio 3 Career Mentor on a monthly basis to determine & review your goals. This personalized meeting will allow for an encouraging touch-base, hold you accountable, & ensure we're staying on track. (60 minutes)
- Your Artist CV – \$60.00
An artist's Curriculum Vitae (CV) gives an overview of your career and experience: education, professional experience, exhibitions, projects, publications & more. Let's build or update your CV and ensure proper formatting.
- Your Artist Bio – \$60.00
The Artist Bio is must-have material for submissions & potential buyers. You'll work with one of our writers to come up with a strong Artist Bio that you'll be able to use for years to come. If you already have one, we'll make a new-and-improved version.
- Your Artist Statement – \$60.00
You'll work with one of our writers to come up with a beautifully written Artist Statement that best describes the "why" or "how" you create. If you already have one, we'll provide feedback and make it as strong as it can be.
- Pricing Your Artwork Consultation – \$45.00
Meet with your Studio 3 Career Mentor to determine the best methods and considerations in pricing your artwork. You'll leave this session confident in pricing each piece. (30 minutes)
- Website Consultation – \$50.00
We will review your portfolio, check out other artist websites for inspiration, and discuss the best way to display your work & products on your website. You'll incorporate your Artist Bio, Statement, CV, and feature your exhibitions & projects to put your best foot forward. (45 minutes)
- Website Creation – \$250.00
Following your Consultation, we'll implement ideas and launch your website. We will start from scratch with purchasing your domain name, finding the best host, and building the site. Studio 3 NYC will provide a breakdown of all website costs before we begin and oversee the process from start to finish.

- Artist Photo Shoot – \$225.00
We'll arrange a photo shoot by a trusted photographer for you to receive 50 headshot photos (high-resolution and color-corrected).
- Artwork Photo Shoot – \$225.00
We'll take high-quality photos of up to 10 of your artworks so that you can properly display them on your website, use them on social media, include them in your catalog, submit the work for exhibition opportunities, and more.
- Application Preparation – \$100.00+
For a specific application such as a gallery/museum submission, artist residency, or exhibition proposal, Studio 3 NYC will serve hands-on assistance in writing, compiling all required elements, and ensure your application is submitted before the deadline.

If you have needs that aren't listed in the above options, let's discuss how we can meet them.
